RESUME

OBJECTIVE:

To utilize my creative skills to provide interesting and innovative projects to a variety of crafting magazines. To join manufacturer design teams to create original projects which will highlight their unique products. I am enthusiastic, committed and work well with deadlines.

DESIGN SPECIALTIES:

Specializing in paper crafting, card making, rubber stamping, altered art, children's crafts and home décor items. My style is eclectic and I enjoy using traditional materials in unconventional ways to bring a unique twist to my projects.
